

Welcome to the Velocity Invitational at Sonoma Raceway!

We are glad you are here and hope you enjoy the schedule of events planned during your visit. Please read the enclosed information very carefully to make your visit to Sonoma Raceway enjoyable and safe. The following rules will be strictly enforced by raceway security and the Sonoma County Sheriff's Department.

Sonoma Raceway owns and controls all rights to space locations for all events at the track. RV parking passes are temporary licenses for the space beginning November 9 at 10 a.m. to November 13 at noon. The camping permit licenses the holder to park one (1) RV or truck/trailer plus one (1) vehicle in the assigned area for the event specified. All vehicles must fit within the 20' x 40' space and not block any fire lanes. All vehicles that do not fit within the space must be moved to overflow parking areas. Commercial activities of any kind are prohibited without prior written consent from the Velocity Invitational, Speedway Motorsports or Sonoma Raceway.

Park at your own risk - Velocity Invitational/Speedway Motorsports/Sonoma Raceway and their officers, agents, employees and affiliates are not liable for loss of any kind to the vehicle or other property of the permit holder. Acceptance of this permit constitutes acknowledgment by holder that he/she has read and consents to the terms herein.

Any damage incurred to Sonoma Raceway property by the individual RVs/Campers will be the responsibility of the ticket/account holders who may be billed for such damages. In addition, RVs/Campers hereby agree to defend, indemnify, and hold harmless Velocity International LLC, Speedway Motorsports, Sonoma Raceway, and their respective parent company, affiliates, managers, successors, assigns, officers, directors, agents, members, subcontractors, and employees, from and against any and all third-party action, suit, or claim (including reasonable attorney's fees and court costs) arising from or related to the individual RVs/Campers actions or inactions while camping at the Velocity Invitational and associated events.

The Velocity Invitational and Sonoma Raceway will make every effort to ensure your campsite location is in the same space year after year. But, due to constant improvements throughout the property, there is no guarantee that your space will remain the same.

IMPORTANT PHONE NUMBERS

Medical Emergencies: call 9-1-1

Security: 707-933-4455

General Information: Please call 800-870-RACE (7223)

Arrival Information

Sonoma Raceway Campgrounds open at 10 a.m. on November 9. When you arrive at the raceway, everyone in the vehicle must have event weekend tickets to enter. Check-in times are as follows:

Thursday, November 9: 10 a.m. to 10 p.m.

Friday, November 10: 8 a.m. to 10 p.m.

Saturday, November 11: 8 a.m. to 10 p.m.

For trackside camping enter off of Highway 121. Look for changeable message signs along Highways 37 and 121 for directions.

Camping check-in is not open for camping check-in 24 hours a day. You must arrive during the times listed above. If you arrive after 10 p.m., you will be asked to stage in the Gate 7 driveway until the following morning when the campgrounds reopen.

Entry & Pre-screening

During the camping check-in process, guests will be asked to stay in their vehicle for pre-screening. The pre-screening process includes a brief security search of your RV. Security will be looking for items that are not allowed in the campgrounds including, but not limited to, weapons, potato guns, fireworks and off-highway vehicles.

Tickets

Event weekend tickets are required to enter all campgrounds. Velocity Invitational will issue digital camping passes at the time of purchase which are accessible at <https://velocity.tixr.com/2023>. Each camping pass allows one (1) RV or truck/trailer plus one (1) vehicle in the assigned area for the event specified. All vehicles must fit within the 20' x 40' space and not block any fire lanes. All vehicles that do not fit within the space must be moved to overflow parking areas.

Additional Vehicles

There are a limited number of additional vehicle parking spaces in all campgrounds. You are not guaranteed an additional vehicle parking space. If you cannot fit your tow vehicle or passenger car in your camping space and all designated spaces are full, additional vehicle parking for trackside campers is located in Lot 4.

Golf Carts / Off-Highway Vehicles

For the safety of all guests, golf carts, ATVs, motorized bikes/scooters and side-by-side utility vehicles are NOT ALLOWED at Sonoma Raceway. Guests who arrive at the facility with these vehicles loaded on a trailer or in their RV will have to impound their vehicle for the weekend. If guests refuse to impound their vehicle, they will be turned away and not allowed to enter the facility. Single-person electronic convenience vehicles, built specifically for guests with disabilities, are permitted.

Impounded vehicles can be picked up Sunday after the race and on Monday morning. Exact pick-up times will be provided when you arrive at the campground. When picking up your impounded vehicle, you must arrive in your RV prepared to leave the campground. You will not be allowed to return to your camping space.

Off-road motorcycles with valid license plates will be impounded for the weekend. These are motorcycles that are clearly built for offroad activities with off-road, knobby tires. Only licensed motorcycles built to drive on the street, with street tires, can enter the raceway. If you have questions on whether your motorcycle can enter, please contact Maurice McGill at mmcgill@sonomaraceway.com

Speed Limits

The speed limit in RV areas is 5 mph.

Pets and Service Animals

Pets are allowed in camping areas only. Trained service animals are allowed in competitor pit and seating areas. Service animals must remain on a leash (no more than 6' in length) or harness at all times. You must pick up after your pet.

Quiet Hours

Quiet hours are from 11 p.m. to 8 a.m. Music and generators above a certain decibel (see Generator information) as well as other loud devices must be turned off during quiet hours. If Sonoma Raceway security is called to your space due to a disturbance, the RV owner will be given a written warning. Multiple warnings will result in forfeiture of RV passes and removal from the campground.

Please be responsible during quiet hours and be respectful to your neighbors.

Generators

Running a generator in your campsite can create undesirable noise and produce harmful carbon monoxide fumes. To help prevent disruption in our camping areas, please note the following rules for generator use:

- All generators must have the exhaust directed up and above the top of your trailer, truck, RV or tent/awning and clear of your neighbor's campsite. Generator exhaust systems can be purchased at camping/RV stores or online. Do-it-yourself plans are also available online.
- Generators should be turned off from 11 p.m. to 8 a.m. (quiet hours). If a medical condition requires you to leave your generator running all night, your generator must operate at less than 70 decibels at all times. If you have a medical condition and your generator is louder than 70 decibels as determined by security staff, you will be asked to relocate to a different area in the campground.

ADA Assistance / Shuttle Service

Velocity offers a free shuttle service to move guests around the property. Shuttle stops are conveniently located near all seating areas, parking lots and campgrounds. In addition to shuttles, the raceway offers a golf cart service for guests with mobility issues.

Pedestrian Safety

While walking, jogging or moving around the property, we ask that you use caution, particularly after hours, to prevent injury.

- Remain alert for service traffic and shuttles.
- After dark, use a flashlight as portable light towers may not illuminate all areas.
- Do not cut through other guests' spaces as this is inconsiderate and will take you off the designated roadway/walking areas.
- Obey all signs around the property.

RV Services

Velocity has teamed up with United Site Services to provide RV pump-and-dumps and fresh-water filling. Contact phone numbers will be available during RV check-in.

Additional Campground Policies

The following activities are not allowed on the raceway property:

- Charcoal barbecues are not allowed at Sonoma Raceway. Gas grills using propane are permitted.
- Open-flame or open-pit campfires are prohibited.
- Camping is permitted in designated areas only.
- Keep fire lanes open at all times. Cars will be towed away if parked in fire lanes.
- Offensive signs, public drunkenness, and profanity will not be tolerated.
- The selling of unauthorized merchandise is not permitted.
- Alcohol is allowed in camping areas. However, alcohol may not be brought from campgrounds to seating or pit areas.
- Alcohol may not be sold or distributed to people other than those staying in your RV or camping area.
- No waste-water dumping is allowed. Those caught dumping are subject to fine, arrest, and immediate ejection from the raceway.
- No fireworks
- No weapons of any kind
- No commerce
- No Confederate flags or other offensive signs/flags may be displayed.
- All radio-controlled aerial devices including, but not limited to, sky lanterns, drones and any unmanned aerial devices are not allowed on Sonoma Raceway property.
- You cannot plug in electrical cords to raceway generators or light towers.
- All vehicles and RV sites are subject to search.
- At no time is it okay to ride a bicycle or walk on the race track. If anyone is caught on the race track they will be arrested and removed from the raceway property.
- Solicitation for donations
- Unauthorized selling or buying of event tickets
- Unapproved selling of merchandise or services
- Unapproved distribution of any item
- Unapproved entertaining (organized concerts and events not approved by the raceway are prohibited)

Prohibited Items

Existing Raceway Policies will continue to be enforced. The following items are NOT allowed at the raceway:

- Aerosol cans (with the exception of sunscreen, sun block, hand sanitizer, and bug spray)
- Alcoholic beverages
- Bottles/glass containers
- Cans
- Displays of the confederate flag
- Drones
- Dry ice
- Foam or hard-sided coolers regardless of size
- Fireworks/sky lanterns
- Frisbees, balloons or any other projectile
- Inline skates/skateboards/bicycles/hover boards
- Laser pointers, noise makers and air horns
- Lawn chairs and stadium-style seats with legs (all cushions must sit flat against your seat)
- Selfie sticks
- Tripods or monopods that are either solid or collapsible
- Umbrellas in seating areas
- Wagons
- Weapons, including but not limited to: guns, knives, stun guns, and pepper spray

Note: Any items which pose a safety hazard or can diminish the enjoyment of the event by other guests are prohibited.

All items and persons are subject to search and seizure. You can choose to take prohibited items back to your car or campground or surrender them to security. Once an item is surrendered it cannot be reclaimed.

2023 Velocity Invitational Camping Map

Thursday, November 9: 10 a.m. to 10 p.m.

Friday, November 10: 8 a.m. to 10 p.m.

Saturday, November 11: 8 a.m. to 10 p.m.

Check out Mon. Nov. 13, 2023, 11:00 am
