Evenings, Weekends, **Emergency** > 707-975-2538

STARTING GAS VEHICLE

- Make sure the brake is on.
- Turn the key switch on. Will either be silent or will crank like your car.
- Move the direction of rocker switch from neutral to the desired direction, forward or reverse.
- Release the brake (brake on floor: push forward. Brake between seats: push down).
- Slowly press on the accelerator. If you press to fast, the cart won't move.
- To stop, push down on the brake pedal.

WINDSHIELDS

- Windshields are acrylic and scratch easily. Avoid paper towels.
- To wipe windshield, use a soft, clean cloth.
- Scrapes and scratches are considered damage.

WHEN THE CART IS NOT BEING USED

- Turn off headlights and turn off cart.
- Not doing so will cause the battery to drain and the cart will not be usable.

RE-FUELING

- Gas tank is located under front bench seats. Lift seats, un-screw gas cap, fill with regular gas unless specified otherwise.
- Kubota's take Diesel
